GENERAL INFORMATION

My name is Stamatis Giovanis and I am currently 28 years old.

I am a Junior Full Stack Developer and my passion for technology drives me to overcome the challenges of new experiences.

I have also had a career as a chef in various restaurants and hotels for the past decade.

MY CERTIFICATIONS

- National and Kapodistrian University of Athens Web Developer e-learning
- Udemy certification for Python bootcamp
- Udemy certification for Web developer bootcamp

PROFESSIONAL EXPERIENCE

Web developer
November of 2022

I discovered my passion for technology and decided to pursue it by becoming a full-stack web developer.

Chef
2012-2022

With a decade of experience in the field, I have worked in a number of 5-star hotels and restaurants, including the Grande Bretagne, Cavo Tagoo, Grecotel, Fuga, Zurbaran, Malconis, and Coya, among others.
